Humber & Wolds Rural Community Council

Humber and Wolds Rural Community Council

Supporting rural communities to thrive in the East Riding of Yorkshire, North and North East Lincolnshire

Humber & Wolds Rural Community Council

Registered Charity No: 1099439
Company No: 4606085

Who are we?

Humber and Wolds Rural Community Council (HWRCC) was established in 1975 as an independent registered charity to promote, develop and sustain rural communities in the East Riding of Yorkshire, North and North East Lincolnshire.

HWRCC is one of 38 Rural Community Councils, headed up by the national umbrella body, Action with Communities in Rural England (ACRE). Through ACRE we work closely with DEFRA, providing an important rural voice at national level.

Why work with us?

HWRCC has a long track record in delivering a range of projects and services that have, and still are, helping to revitalise rural communities. HWRCC has managed over 100 publicly funded programmes, totalling over £10m, and has strong working partnerships with public bodies, voluntary and community organisations and businesses in the region, as well as with our rural residents.

Projects in the community currently focus on access to services, rural community buildings, transport, broadband, community development, health and social care, rural energy and renewable energy solutions, training and work on strengthening the voluntary sector in the region. HWRCC is involved in the development of a wide range of initiatives designed to enhance the quality of life for rural residents.

How can we help you?

Through our understanding of the issues affecting rural communities now and those that will impact in the future, and our well established partnerships, we bring together communities, organisations and services to combat the challenges rural communities face.

Just some of the areas in which we could help you or your organisation:

- **Undertake community problem-solving and action planning**
- **Develop your rural community building and support the management committee**
- **Engage your community, getting local people involved**
- **Unblocking issues and taking forward projects that may have stalled**
- **Developing and sustaining community and voluntary organisations**
- **Helping you to find money and write bids to fund work**
- **Working with you to combat the increasing cost of household energy**
- **Identifying and using resources within the local authority**
- **Identifying and providing training and development**
- **Helping you plan for the future**

HWRCC is also able to expand upon the delivery of services by working in partnership with local service providers (transport, health, social care, energy, etc), communities and individuals. If you feel your organisation can help us to improve rural services, please speak to us.

Our work is funded through dedicated programme activity, community funds or outcome and result based contracts.

Together we can make a difference!

Support your Rural Community

Become a member of HWRCC TODAY!

HWRCC's membership scheme provides local people, organisations and businesses with an opportunity to take a more proactive role, through working collaboratively with your local Rural Community Council, to improve the social, environmental and economic well-being of our rural communities.

How you will benefit from joining:

- **Access to our rural team who can provide advice and guidance on issues affecting you, your community or organisation**
- **Priority booking at key rural events held by HWRCC and in partnership with other specialist organisations**
- **Monthly e-bulletins packed with news and key information from HWRCC and Action with Communities in Rural England (ACRE), our national umbrella body that is at the forefront of rural policy**
- **Twice yearly copies of Humbrella, HWRCC's magazine, providing information on local initiatives that will be of interest to those living and working in our rural communities**
- **Entitlement to apply to stand for election as a HWRCC Trustee/Director as and when Board vacancies arise**
- **Voting rights at HWRCC's Annual General Meeting**
- **HWRCC's Annual Review, detailing the depth of our work in the rural areas of the region, along with case studies. Share in our success!**

HWRCC also operates a separate membership scheme for management committees running community buildings and village halls in the region. Committees located in the East Riding of Yorkshire will also benefit from membership of the East Riding Association of Rural Community Buildings (ERA of RCB) as part of their package. To request full details on our membership scheme, please complete the form overleaf and return to:
