TERMS AND CONDITIONS

- I wish to join YORSwitch, Cheaper Heating Oil Together and am happy for my details to be shared with Humber & Wolds Rural Community Council (HWRCC), my local co-ordinator and the winning oil suppliers.
- My details will solely be used for the purpose of the scheme.
- I understand that to get the best price, we need to place a definite order, so my stated oil requirements will be binding (If you subsequently withdraw your order, you may still be charged).
- I understand that in line with normal oil company practice, the quoted prices, is without VAT (charged at 5% on heating oil).
- I acknowledge that HWRCC is not responsible for any issues arising once the order is placed with the supplier. Any queries should be directed to the supplier.
- I can stop being part of the scheme at any time by putting this in writing, but I am not entitled to a refund on my membership fee.
- Where special delivery circumstances exist – like only small tankers can get access or where the delivery address is remote – there may be a surcharge in line with the type of additional charges these addresses usually attract.
