### The Objectives

- To provide management committees with a good understanding of their roles and responsibilities and the current legislation
- To offer support and information for individual governance issues
- To provide publications to assist charity trustees with the management of their community building

### What we provide

If you are a member of HWRCC's RCB membership scheme our trained adviser can help with the following:

- Funding information
- Assistance with charity management
- Members receive a free set of ACRE information sheets on a CD and access to other resources
- "Hallmark" quality standard scheme
- Access to specialist legal advice
- Help with community consultation

- Help with Business planning
- Regular news updates

In addition to the above support you will have automatic membership of HWRCC's general membership scheme and halls in the East Riding of Yorkshire will automatically become members of the East Riding Association of Rural Community Buildings (ERA of RCBs).

The annual fee is £35
