

VACANCY

Service Delivery Manager – North Lincolnshire

Are you a driven, dynamic and confident leader?

Do you have a patient, understanding, fair and confident approach to managing people?

Do you want to work for a forward thinking charity?

We are looking for someone to lead our North Lincolnshire team and deliver a number of essential support services to Carers.

You will have the ability to work with and develop an established team. You will support the team in their pursuit of ensuring Carers in North Lincolnshire have the right information, advice, guidance and support at the right time. You will be keen on detail and driven to meet targets and KPI's.

You will have an enthusiasm for supporting your team and developing their skills and abilities. You will be patient and understanding, and confident in your ability to make sometimes difficult but fair decisions.

You will work closely with the senior management team and have an influence on the strategic aims and objectives of the charity.

If you are looking for a new challenge and a role that gives you the freedom to explore your ideas and creativity, and you meet the criteria for this role, we want to hear from you.
