

VACANCY

Carers Hospital Key Worker and Staff Liaison.

Do you want to work for a forward thinking charity and be part of a caring and dynamic team?

We are looking for someone with a passion for helping people, with the drive to succeed and the determination to make sure the Carers in North Lincolnshire get the support they need when the person they care for is in Hospital.

You will work to ensure Carers are identified early and have the information and support they need to continue caring.

You will lead on our partnership working with the staff teams at Scunthorpe General Hospital, Great Oakes Hospital and the Hospice.

Your role will enable the staff working at the hospital to understand, support and work positively with Carers to achieve the best outcomes for them and the patient.

You will be:

- Confident when working with Carers and professionals
- An excellent communicator
- Professional
- Approachable at all times.

This post is an exciting challenge for anyone who can demonstrate they have the skills and qualities needed to play an integral part in making North Lincolnshire a Carer Friendly Community.
