

# HUMBER & WOLDS RURAL ACTION

## MEMBERSHIP

**HWRA**

Humber & Wolds  
Rural Action

Dear Partner

### Humber and Wolds Rural Action (HWRA) – Membership 1<sup>st</sup> April 2021 – 31<sup>st</sup> March 2022

We couldn't have anticipated the year that we have just experienced but what has become clear is that membership of organisations, being part of a network and working in partnership has been extremely important to us all. We also know that receiving up to date and quality information and advice has been vital and we hope that you have found our e-newsletter/bulletins useful and informative.

We want to be able to continue working together to support our communities, organisations and residents, providing the advice, information, activities and services that have been and continue to be, so important in these difficult and ever changing times. To enable us to do this we are now asking for you to complete your membership form and forward this to us with your fee.

I attach a copy of our Strategic Objectives 2018 to 2021 to remind you of the depth and breadth of activity undertaken by HWRA. In addition, the membership offer includes:

- Receiving regular updates on our work and that of our local and national partners including access to national and local information and consultations on issues that impact upon rural communities
- Opportunities to influence strategic and operational thinking and good practice at local level on a range of issues and developments which impact directly upon our communities
- Influencing national thinking and decision making through Action with Communities in Rural England (ACRE) to a range of government departments: Departments for Environment, Food and Rural Affairs (DEFRA), Health and Social Care, Energy and Climate Change, Transport and Ministry of Housing, Communities and Local Government etc.
- Opportunities to become involved in a range of projects, activities, services and events, for example becoming an energy champion, oil co-operative co-ordinator, trusted voice or community volunteer
- Signposting or direct access to specific support, resources and information for your organisation
- Attendance and a vote at the HWRA AGM and annual review event.

Please look on our website [www.hwrcc.org.uk](http://www.hwrcc.org.uk) for information which demonstrates our current activity and impact and follow us on Facebook and Twitter (see below).

Your support is appreciated by the charity's staff team, trustees, volunteers and the rural communities that benefit from our work, enabling us to keep rural issues high on the local and national agenda.

Yours sincerely

Mr David Hughes, Chairman

**Strengthening Communities In East Yorkshire & northern Lincolnshire**
