These include;

*Supporting local residents*

*Improving Health and social care services*

*Providing advice and signposting information*

## *Why become a partner?*

Our partners are integral to the way we operate and help to spread awareness of who we are and what we do.

In return, we support our valued partner organisations by providing them with wide coverage across our website, newsletters and social media accounts.

We also provide our partners with regular updates on our work and projects, offer opportunities for collaboration, and work to share useful resources which benefit the clients our partners support.

If your organisation is involved in providing a health or social care service in North Lincolnshire, we would love to hear from you.

Being a member of our partnership means we can all work together to bring about effective and lasting change to benefit people across the area.
